Review

Kim Gordon writes the way she plays. Fiercely, honestly, and with the creative abandon of a singular artist. "Amy Poehler "on the English- language edition"

I ve always admired Kim Gordon. She is cool, smart, and dignified. Girl in a Band is a fascinating and honest memoir full of raw emotion and insight. " Sofia Coppola," on the English-language edition"

Written with the same cool passion she brings to her lyrics, Gordon delivers a generous look at life inside the punk whirlwind. "Kirkus Reviews," on the English-language edition"

"Gordon s career as a musician, artist, critic, performer, producer, and designer spanned the last truly hip era of downtown New York. The names and the nostalgia-for those who remember or who wish they did-are well worth the price of admission." "Booklist," on the English-language edition" About the Author

Kim Gordon is the celebrated former vocalist and bassist for Sonic Youth, one of the most important and influential rock bands in recent decades."
