127 Horas (Indicios) Aron Ralston

In Utah canyonlands on a warm Saturday afternoon, eight miles from his truck, in a deep and narrow slot canyon, Aron was climbing down off a wedged boulder when the rock suddenly, and terrifyingly, came loose. Before he could get out of the way, the falling stone pinned his right hand and wrist against the canyon wall. And so began six days of hell for Aron Ralston.

About the Author

Aron Ralston, a native of the Midwest, retired from a career as a mechanical engineer at age twenty-six before moving to Aspen, Colorado. Since his accident, he has completed his unprecedented project to climb the fifty-nine Colorado peaks of more than 14,000 feet, alone, in winter. His first book, "Between a Rock and a Hard Place", was a "New York Times" bestseller and was adapted into the major motion picture "127 Hours" by Danny Boyle. Today, as a father of an infant daughter and four-year-old son, Aron lives in Boulder, Colorado. He continues to travel the world for both adventure and to share his story. Follow his journey at AronRalstonSpeaker.com.
