Santana's Simplified Spanish Verbs From Santana Books

Compiled by an experienced teacher, this is the perfect volume for anyone wanting to try their hand at speaking Spanish - whether you are on a long holiday or a short business trip, this will become your essential resource. It reduces the most commonly used verbs to their essential components - the present, past, perfect and future tenses, plus the imperative - in an easy-to-understand manner. Key features include 200 verbs presented in alphabetical order, an explanation of correct pronunciation, carefully chosen examples of how to use each verb, plus a complete English-Spanish index.
